Being bodies : Buddhist women on the paradox of embodiment ...

Padmasambhava states that being born as a woman is more advantageous: The body is the basis of the accomplishment of wisdom. And the gross bodies of men and women are equally suited. But if a woman has strong aspiration, she has higher potential.

Being born as a female is BAD KARMA : Buddhism

According to the Buddhist tradition, women cannot ascend to the status of a Buddha — one who is awake, enlightened and emancipated from samsāra, the cycle of birth and death — because their bodies grow and give birth to children. That ties them metaphorically to samsāra.

Ancient Buddhist texts reveal shifting perspectives on women
