### Bible and sword : England and Palestine from the Bronze ...

Summary. Two-time Pulitzer Prize-winning historian Barbara Tuchman explores the complex relationship of Britain to Palestine that led to the founding of the modern Jewish state—and to many of the problems that plague the Middle East today. From early times the British people have been drawn to the Holy Land through two major influences: the translation of the Bible into English and, later, the imperial need to control the road to India and access to the oil in the Middle East.
