Word count 7,015 Suitable for young readers

Papers from the June 2001 Symposium on Metrology of Pedestrian Locomotion and Slip Resistance present the latest research findings on both how much friction pedestrians require during ambulation and how to measure the friction available between the walkway surface and the shoe bottom. Some specific

This book is primarily written according to the latest syllabus (July 2013) of Mahamaya Technical University, Noida for the third semester students of B.E./B.Tech/B.Arch. The textbook is for the Group B [ME, AE, MT, TT, TE, TC, FT, CE, CH, etc. Branches] of B.Tech III Semester. The Solved Question Paper of Dec. 2012 is included in the body of the text.

Introduction to Floriculture provides an introduction to commercial floriculture, containing information on major and minor greenhouse and field crops, and includes potted plants and cut flowers. The book is organized into two parts. Part I on cut flowers discusses the history and propagation of chrysanthemums, carnations, roses, snapdragons, orchids, gladiolus, and minor cut crops. Part II on potted plants includes bulbous plants, azaleas, pot mums, African violets, poinsettias, and Easter lilies. This book was written for students who have been exposed to a sufficient number of biology courses to acquaint them with many of the terms and plant processes discussed in the text. It would be beneficial if they have also taken a course in greenhouse management or are taking one concurrently with their floriculture course. The book can be used by commercial growers who constantly seek more information to enable them to realize maximum gain from the investments of labor, time, and capitol they have placed in this challenging field.

An Olympic gold medal. The best prize any athlete can ever win.What is the story behind the gold medals? We see their winners every four yearson our televisions, but who are they, and how do they get there?And what is the story behind the Games? How did they start and how have theygrown? This book tells us some of the answers.

Feminist before there were feminists, single parent before the term was coined, a teacher with high standards when times demanded laxity, Joyce Holtsclaw is all these and more. With humor and irony she recounts years of experience and wisdom only hard times, war, divorce, love, and 79 years can teach.

"That's how it is for us servants. No one pays you much heed; mostly you're invisible as furniture. Yet you overhear a conversation here, and add a little gossip there. Then you find something, something you should not have found." Irrepressible Biddy Leigh, under-cook at forbidding Mawton Hall, only wants to marry her childhood sweetheart and set up her own tavern. But when her elderly master marries young Lady Carinna, Biddy is unwittingly swept up in a world of scheming, secrets, and lies. Forced to accompany her new mistress to Italy, she documents her adventures and culinary discoveries in an old household book of recipes, The Cook's Jewel. Biddy grows intrigued by her fellow travelers, but her secretive and unconventional mistress is the most intriguing of all. In London, Biddy finds herself attracted to her mistress's younger brother. In France, she discovers her mistress's dark secret. At last in Italy, Biddy becomes embroiled in a murderous conspiracy, knowing the secrets she holds could be a key to a better life, or her downfall. Inspired by eighteenth-century household books of recipes and set at the time of the invention of the first restaurants, An Appetite for Violets is a literary feast for lovers of historical fiction. Martine Bailey's novel opens a window into the fascinating lives of servants, while also delivering a suspenseful tale of obsession and betrayal.
