Having recently discovered she is the sole heir to the throne of a tiny European principality, fourteen-year-old Manhattan resident Mia writes in her journal about her attempts to cope with this news, as well as with more typical teenage concerns.

Princess Mia Thermopolis is introduced to her Genovian subjects, and more importantly, she goes out on a date with the newly appointed Royal Consort Michael Moscovitz. Reprint.

Mia would give all the jewels in Genovia for the perfect present Every year, Princess Mia spends the holidays in Genovia with Grandmère. This year, she's looking forward to the most perfect Christmas ever: her boyfriend, Michael, and her best friend, Lilly, are coming to Genovia, too. But even a princess's plans can go awry. Lilly has a lot to learn about palace protocol, and with all the state holiday functions Mia must attend, there's no time to linger under the mistletoe with Michael. Worst of all, Mia hasn't been able to find him the perfect gift. Can Mia stop her (bah-hum)bugging long enough to see that the perfect present has nothing to do with international express courier -- and everything to do with real love? (Though some shiny silver ribbon never hurts ...)

Having recently discovered she is the sole heir to the throne of a tiny European principality, fourteen-year-old Manhattan resident Mia writes in her journal about her attempts to cope with this news, as well as with more typical teenage concerns.

Meg Cabot's bestselling Princess Diaries series has delighted millions of middle grade and teen readers, and it was turned into the wildly popular Disney movies of the same name, starring Anne Hathaway and Julie Andrews. This collection contains all ten of the novels following Mia as she attempts to navigate high school, boys, and...princess training. Includes: The Princess Diaries The Princess Diaries, Volume II: Princess in the Spotlight The Princess Diaries, Volume III: Princess in Love The Princess Diaries, Volume IV: Princess in Waiting The Princess Diaries, Volume V: Princess in Pink The Princess Diaries, Volume VI: Princess in Training The Princess Diaries, Volume VII: Party Princess The Princess Diaries, Volume VIII: Princess on the Brink The Princess Diaries, Volume IX: Princess Mia The Princess Diaries, Volume X: Forever Princess

Princess Mia puts together a musical money-making scheme to save her student government, which could serve as preparation for one day balancing the budget of her small country. Reprint.

A Princess on her own ... Mia has been invited to speak at a gala for Domina Rei, an elite society of powerful businesswomen. But what could she possibly have to say? Michael has broken up with her, her bff Lilly won't speak to her, and her parents are forcing her to see a therapist. Even J.P.'s efforts to cheer Mia up (he's being really sweet!) aren't helping. Just when things couldn't get worse, Mia discovers a long—forgotten diary of a teenage princess of Genovia. It could be just the inspiration Mia needs to write her speech—but what it reveals might change everything.

The one and only Mia Thermopolis is back and ready to reign! Celebrate the 20th anniversary of Meg Cabot's blockbuster series in royal style—with all-new middle grade editions of the first three books! Mia Thermopolis is pretty sure there's nothing worse than being a five-foot-nine, flat-chested freshman, who also happens to be flunking Algebra. Is she ever in for a surprise. First Mom announces that she's dating Mia's Algebra teacher. Then Dad has to go and reveal that he is the crown prince of Genovia. And guess who still doesn't have a date for the Cultural Diversity Dance? The Princess Diaries is the first book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

Princess Mia is introduced to her Genovian subjects, and more importantly, she goes out on a date.

Princess Mia presents a guide to the winter holidays, including the story behind some traditions, gift suggestions, make-up and fashion tips for seasonal parties, recipes, and craft ideas.
