~~Sparky—definition of sparky by The Free Dictionary~~

Feeling sparky is a simple expression of a desire. Sparky portrays the lightheartedness of getting high, versus the real drug addicts that are itching or looking for a fix. Sparky, is just like hungry & thirsty in the way they express the desire to eat, but not necessarily the need to eat immediately.

~~Urban Dictionary: Sparky~~

Sparky was a British comic published weekly by DC Thomson, that ran from (issue dates) 23 January 1965 to 9 July 1977 when it merged with The Topper after 652 issues. From 1965 – 1980 the comic published an annual entitled The Sparky Book.

Sparky is Stan Marsh 's pet dog, who is (according to Stan) part Doberman and part wolf, and is claimed by Stan to be "the toughest dog on the mountain". This assertion is challenged, however, by other South Park residents when Sparky's homosexual nature manifests; first with Sylvester and then with Clyde 's dog, Rex.

The ingenious author of *17 Things I'm Not Allowed to Do Anymore* and a brilliant illustrator and production designer of the *Coraline* movie have created a hilarious, touching picture book perfect for young animal lovers. Like the Caldecott Medal-winning *Officer Buckle and Gloria*, *Sparky* stars a pet who has more to offer than meets the eye.

The ingenious author of *17 Things I'm Not Allowed to Do Anymore* and a brilliant illustrator and production designer of the *Coraline* movie have created a hilarious, touching picture book perfect for young animal lovers. Like the Caldecott Medal-winning *Officer Buckle and Gloria*, *Sparky* stars a pet who has more to offer than meets the eye. When our narrator orders a sloth through the mail, the creature that arrives isn't good at tricks or hide-and-seek . . . or much of anything. Still, there's something about *Sparky* that is irresistible. Winner of the Charlotte Zolotow Award

A child takes a sloth named *Sparky* as a pet.

A little girl wants a pet. She's not fussy, any will do. Her mother said no to a bird and bunny and trained seal. Then she agrees to the sloth, *Sparky*! Sloths don't know how to fetch. Or roll over. But they sure know how to play dead. What's an eager pet owner to do?

Welcome to the *Puppy Place*! Where every puppy finds a home. Charles and Lizzie Peterson love puppies. Their family fosters these young dogs, giving them love and proper care, until they can find the perfect forever home. Lizzie's got some competition! At *Caring Paws Animal Shelter* to volunteer, she meets newcomer Harper. Like Lizzie, Harper loves and knows lots about dogs! But when *Sparky*, a tiny Chihuahua mix, arrives with an injured leg to the shelter, the two girls will have to team up to find this sweet and strong puppy a perfect home.

Accidentally becoming stuck on a school bus that has just pulled away from their cageless zoo, *Safari World*, *Sparky* and his buddy, Joe, arrive at the school and learn a variety of new things by the end of the day.

A shocking exploration of America's preferred method of capital punishment. In early 2013, Robert Gleason became the latest victim of the electric chair, a peculiarly American execution method. Shouting *P ó g mo th ó in* (" Kiss my ass " in Gaelic), he grinned as electricity shot through his system. When the current was switched off, his body slumped against the leather restraints, and Gleason, who had strangled two fellow inmates to ensure his execution was not postponed, was dead. The execution had gone flawlessly—not a guaranteed result with the electric chair, which has gone horrifically wrong on many

occasions. Old Sparky covers the history of capital punishment in America and the “ current wars ” between Edison and Westinghouse that led to the development of the electric chair. It examines how the electric chair became the most popular method of execution in America before being superseded by lethal injection. Famous executions are explored, alongside quirky last meals and poignant last words. The death penalty remains a hot topic of debate in America, and Old Sparky does not shy away from that controversy. Executions have gone spectacularly wrong, with convicts being set alight or needing up to five jolts of electricity before dying. There have been terrible miscarriages of justice, and the death penalty has not been applied even-handedly. Historically, African Americans, the mentally challenged, and poor defendants have been likely to get the chair, an anomaly which led the Supreme Court to briefly suspend the death penalty. Since the resumption of capital punishment in 1976, Texas alone has executed more than five hundred prisoners, and death row is full. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

When Joe the giraffe and his friend Sparky, a turtle, see a television talent show, Joe tries to find Sparky's talent so that they can compete.

When they see a car sitting unoccupied at the cageless zoo where they live, adventurous Joe the giraffe convinces shy Sparky the turtle to go for a ride and soon the two are tearing up the town--visiting a burger joint, going through a car wash, and having the wildest time of the lives!

In the tradition of Tuesdays With Morrie, Dan Ewald pens a memoir of his friendship with legendary Tigers manager Sparky Anderson, the man who taught him not only the nuances of baseball, but the importance of life's unwritten rules. Few sports figures, regardless of their position, have generated as much good will as Sparky Anderson, the legendary manager for the Cincinnati Reds and the Detroit Tigers. Sparky met author Dan Ewald, in 1979, and thus was born a lifelong friendship not likely ever to be seen again in baseball. Along the way, Dan never took for granted the front row seat he had to watch one of history's most memorable managers' absolute mastery of baseball's nuances and intricacies. But the most important things Sparky taught Dan were the "unwritten rules" of life, which he practiced meticulously. To Sparky, a real professional was as great away from the diamond as he was on it. His goal was for his players to be the best husbands, fathers, and community leaders they could be—he believed that was the mark of a winner, not the box score. Sparky had a gift for taking something as inane as the infield fly rule and turning it into a lecture on how to lead a more meaningful life. In 2010, the old friends had planned a get-together before the end of the year. But Sparky's health was taking a turn for the worse, so Dan arranged a three-day visit as quickly as he could. During their last days together, the friends recalled the memories of a lifetime as each prepared silently for their final good-bye. When that weekend came to a close, Dan had grown to appreciate Sparky more than he ever thought he could. In this heartfelt memoir, Dan imparts to readers his best friend's spirit through his unforgettable life lessons and stories only the two of them shared. "Like a wizard, Sparky Anderson was white-haired and wise, and sitting with him was like visiting with an oracle. Dan Ewald, who spent more time with Sparky than any of us, beautifully captures the magic of Sparky's wit, humor, and humanity in these pages. All baseball fans should read it." -- Mitch Albom, New York Times bestselling author of Tuesdays with Morrie and Have a Little Faith "No one understood Sparky better than Dan Ewald. Managing people in a scope far broader than a pennant race is a rare quality, and Sparky understood people, their insecurities, their motivations. This is a great read, a great understanding of the humanity of playing baseball." — Peter Gammons, MLB Network "For decades, it seemed like everyone in baseball knew Sparky Anderson, and almost all of us considered him a friend.
