### Every Californians Guide To Estate

Every Californian's Guide to Estate Planning is different: It focuses on estate planning issues that are unique to people who call California home. California is different from almost anywhere else - people come from all over the world to live here, less than 25% of our families fit the traditional model, property is subject to community property rules, and our property tax rates are kept low until a property changes hands.

### Visitor Guide | Visit California

Not every estate is required to file Form 1041 for income earned. If the estate has no income producing assets or the annual gross income is less than \$600, no return is necessary. The only exception is if one of the beneficiaries is a non-resident alien. In that case, the income total does not matter, and a return must be filed.
