Q: Vacuum Hose Diagrams for 1968. Hello all! I am in the midst of rebuilding my 1968 firebird 400 conv. (little by little). I am working on the engine for now, while I am waiting for my Year One parts to arrive... I read the message a little earlier about overheating. Which unfortunately, my poor car is doing!

Vacuum Hose Diagrams for 1968 -- First Generation Firebird ...

If your GTO is equipped with a Tri-Power system, an HEI interferes with the rear carburetor and as a result, does not fit. This conversion does a great job of bringing your ignition system performance up to date without sacrificing your authentic-look-ing engine compartment. It is a simple modification well worth the cost.
