In Identity: Youth and Crisis, Erikson, who is professor of human development and lecturer on psychiatry at Harvard, presents us with some of his major papers, written over the past 20 years and now reshaped as chapters for this book. I do not think they are of quite the high order of essay-writing that he gave us in his "Insight and Responsibility" three years ago, and they do not have, nor do they profess to have, the range and depth of his classic "Childhood and Society" or the ...
