## **I Only Changed One Thing. This is What Happened.**

Oil changes are just one of the many minor hassles of car ownership, but they're crucial to keeping your car in good shape. Furthermore, if you don't change your oil on time and with the proper products, it could void your car's warranty.. However, experts now say that the standard oil change interval of every three months — or every 3,000 miles (4,828 kilometers) — is old news, and that ...

When I found I couldn't change the nation, I began to focus on my town. I couldn't change the town and as an older man, I tried to change my family. Now, as an old man, I realize the only thing I can change is myself, and suddenly I realize that if long ago I had changed myself, I could have made an impact on my family.
