In The Skin Of A

Having read "The Cat's Table" and absolutely loving it, I went on to read In the Skin of a Lion. Having been brought up in Toronto and within a couple of blocks of the Waterworks, I was interested to read the background on it's development, along with other landmarks in Toronto. It was a compelling read, although a little disjointed at times.

In the Skin of a Lion: Ondaatje, Michael: 9780679772668 ...
In the Skin of a Lion Summary The book follows the life of Patrick Lewis, who is born in a rural logging town outside of Toronto called Depot Creek. He grows up with only his father, who works as a cattle herder on someone else's land.

In the Skin of a Lion Summary | GradeSaver

In the Skin of a Lion is a novel by Canadian-Sri Lankan writer Michael Ondaatje. It was first published in 1987 by McClelland and Stewart. The novel fictionalizes the lives of the immigrants who played a large role in the building of the city of Toronto in the early 1900s, but whose contributions never became part of the city's official history. Ondaatje illuminates the investment of these settlers in Canada, through their labour, while they remain outsiders to mainstream society. In the ...

In the Skin of a Lion - Wikipedia

In the Skin of a Lion is a hazy, dreamlike novel, which transports its readers to the city of Toronto in the early 20th century. This is the time when countless immigrants came to the city - escaping misery, wars and poverty that was their daily life in the Old World.

In the Skin of a Lion by Michael Ondaatje

Skin abscess (boil or furuncle): A localized skin infection creates a collection of pus under the skin. Some abscesses must be opened and drained by a doctor in order to be cured.
