Certified Ethical Hacker (CEH) Course and Exam Review. I took the CEH some time ago now, but I've only just got round to writing a review of the course and experience. I'll start by saying that a lot of the reviews I had read before taking the course hadn't been great, however the certification is recognised in industry, and it had caught my attention a couple of times after I'd seen it listed on requirement sheets for pen test contracts.
