“Situations Matter: Understanding How Context Transforms ...

In his new book, *Situations Matter: Understanding How Context Transforms Your World*, Tufts University psychology professor Sam Sommers makes the case that context has an enormous influence on human behavior—and therefore tremendous impact on our lives. If we're oblivious to these forces, we risk jumping to erroneous conclusions, unwisely conforming to the group or even convincing ourselves we're “in love” when it's only situation and circumstance causing our hearts to palpitate.
