The 6th Extinction (2014) details the SIGMA team's fight against a geneticist with a nefarious agenda for handling the extinction of species. The team travels from California, near Yosemite National Park , to the tepuis of the northern Amazon rainforest , and to the ice caves of Antarctica .

James Rollins - Wikipedia

In Africa, a U.S. senator's son is slain outside a Red Cross camp. The three murders on three continents bear a horrifying connection: all the victims are marked by a Druidic pagan cross burned into their flesh. The bizarre murders thrust Commander Gray Pierce and Sigma Force into a race against time to solve a riddle going back centuries.

The Sixth Extinction (Sigma Force) - Walmart.com

Through our trampling of the environment and rise in pollution, mankind has been the driving force behind the loss of most species. According to a report by Duke University released in May 2014, human activity has driven species into extinction at the rate a thousandfold faster than before the arrival of modern man.
