Alternative Title: parōidia. Parody, in literature, an imitation of the style and manner of a particular writer or school of writers. Parody is typically negative in intent: it calls attention to a writer's perceived weaknesses or a school's overused conventions and seeks to ridicule them. Parody can, however, serve a constructive purpose, or it can be an expression of admiration.

The legalisms from the "Poem of Job" reflect the poet's innovation. The author produced a legal metaphor which will be considered largely without reference to the Dialogue/Appeal in the "Poem." The chapter raises one issue that is usually avoided—the question of God's righteousness. Though this was presented in the poem "according to the rules" as wholly conventional ...

Parody, Robert Chambers reminds us in this approachable, eccentric, self-deprecating, and mildly megalomaniac book, is one of the few literary terms that come down to us from ancient Greece, where it means something like "beside-or-against song." Certainly Chambers has taken the license of its antiquity to extend the scope of parody way beyond what most people have taken it to mean up to this point.
